Dear Parent/Carer

Instrumental Lessons at Silverdale

Learning to play a musical instrument has so many benefits – whether it's building your confidence, enhancing your memory or widening your social circle. Scientists have proved that learning to play an instrument can improve IQ, focus and can relieve stress. At Silverdale School we would like to offer your child the opportunity to learn a musical instrument and reap the benefits that this hobby can provide.

We offer instrumental lessons in a variety of instruments (please see list) and now also offer DJ-ing lessons. All lessons are done in the school day and break and lunchtime lessons can be requested for Key Stage 4 and 5 pupils. The timetable is rotated so pupils do not miss the same lesson every week and there is also the opportunity to sit graded examinations that can add to your UCAS points for University.

We offer private/group lessons in the following instruments: Drums; Bass/Electric Guitar; Acoustic Guitar; DJing; Singing; Cello; Violin; Viola; Double Bass; Saxophone; Clarinet; Flute; Trumpet; Trombone; Cornet; Tuba; Piano.

To sign up for lessons you need to go directly to Miss Cooper in D101 or the Music Hub website:
