

October 2019

Dear Parent/Carer

GCSE Computer Science Learning Resources

As your child is studying Computer Science at GCSE we would like to draw your attention to the CGP Computer Science Revision Guide <https://www.cgpbooks.co.uk/secondary-books/gcse/computer-science/cos41-new-gcse-computer-science-ocr-complete-rev> which we can offer at a price of £5.60. This includes the revision guide with online edition this will provide a valuable resource for revision geared towards the various GCSE topic areas.

We can also offer these revision cards <https://www.cgpbooks.co.uk/secondary-books/gcse/computer-science/cof41-new-grade-9-1-gcse-computer-science-ocr-re> at a price of £4.60. These are supplementary to the revision guide and can be very useful but should not be used as an alternative.

If you would like your child to receive a copy of this book, please complete the order form overleaf and bring payment cash or cheque made payable to Silverdale school to the Student Receptionist in a sealed envelope with the child's name, form and GCSE Computer Science Guides written on it. **The deadline for orders is 18th October 2019.**

Alternatively, you can pay online using a very secure website called ParentPay or in cash at local stores where you see the PayPoint logo. If you would like a copy of your unique activation username and password please email parentpay@silverdale.sheffield.sch.uk stating your child's name and year group or contact the finance office at finance@silverdalechourstrust.org

Books are available in school now for collection from Mr Russell and if you are paying via parentpay, I would suggest you print off the payment confirmation page on parentpay and use this as a receipt for your child to collect their books. If you plan to pay via cash or cheque, we will email Mr Russell with a list of payees and they can then collect their books

Please note this book is not compulsory to buy but will aid revision and consolidate classwork.

Yours sincerely

A Russell

Mr A Russell
Head of Department for Computer Science

Executive Headteacher: Roisin Paul
