Dear Parent/Carer

Overdue Library Books

Your child will be issued with a letter on Monday/Tuesday regarding some outstanding library book returns (details of books on reverse of letter issued to student).

The total cost of the books outstanding to school from all students represents a significant amount which will then affect our ability to purchase new books for the library.

Please can you and your child look for the book(s) at home and return to the library as soon as possible.

Your help is much appreciated

Yours sincerely
