

January 2020

Dear Parent/Carer

We are writing to invite you and your son/daughter to an evening of Promoting Achievement across a range of Humanity based subjects at Silverdale School at 6pm until 7.40pm on Thursday 6th February 2020.

Your son/daughter is taking reformed GCSE examinations this year. These are more rigorous and challenging than in the past and we want students to be as well prepared as possible. We, at Silverdale School, believe that this event will be beneficial in helping students secure a better grade in their GCSE examinations in the summer.

During the evening, we would like to provide you with information and strategies that should help your child revise successfully. Important information such as key topics to revise, where to access past papers and mark schemes, what resources students will be provided with by the department and potential ways they could be utilised, websites that could be used for revision and an idea of how long your child should be revising for will be covered.

Subject Leaders as well as Head of KS4, Mr Paul Kent, will all be present on the evening.

There will be 5 sessions running on a carousel, each lasting 20 minutes. You can plan to attend a combination of suitable sessions.
