

September 2018

Dear Parent/Carer

In order to support your son/ daughter to make strong progress in Science at KS3, we are pleased to be able to offer CGP KS3 Science Revision Guides for purchase that cover all the topics studied in Y7, 8 and 9. All three Science subjects are included in one book.

These guides will prove useful when completing homework and checking understanding of work done in lessons as well as when students are revising for end of topic tests. In previous years, students have given positive feedback about the CGP resource. Of course, there are other products available for purchase on-line or from booksellers and you are under no obligation to buy a revision guide through school. If you do wish to buy a KS3 Revision Guide from us, a payment of £3.00 will be required. Payment can be made by cash/cheque or by parentpay.

If you would like a copy of your unique activation username for parentpay and password please email parentpay@silverdale.sheffield.sch.uk stating your child's name and year group or contact the finance office at finance@silverdale.sheffield.sch.uk can be made via Parentpay.

If you choose to buy via parentpay, once you receive an email receipt you need to either forward this receipt to your child's email or print off a copy of the receipt so the student can collect the book from the Science office.

Please do not hesitate to contact me if you require further information.

Yours sincerely

*D Jones*Mr D Jones
