

March 2019

Dear Parent/Carer

CGP Science Revision Guides 2019 2020

Now that your child has decided to study Combined or Triple Science we are pleased to offer CGP Science Revision Guides for purchase at a reduced price. These are very useful in supporting your child's progress throughout GCSE Science.

These guides cover all the topics studied in the Key Stage 4 Science courses and will prove useful when revising for assessments, completing homework and checking understanding of work done in lessons. In previous years, students have given positive feedback about the CGP resources.

We are offering all the CGP revision guides at a reduced rate but the number of books needed will depend on which course your child is taking. Of course, there are other products available for purchase on-line or from booksellers and you are under no obligation to buy a revision guide through school. Please note that the resources provided by the school are specific to the AQA GCSE courses that we teach at Silverdale.

Combined Science - £5.60 for a single book. This guide covers the whole 'Combined Science GCSE' course and is available in 'Higher' or 'Foundation' tier formats.

Separate Science - £8.40 for a set of three books. These cover all topics taught in Y10 and Y11.

If you wish to buy a Science Revision Guide, payment can be made by cash/cheque or by Parentpay. You can do this by either completing the slip attached and returning it to student reception with the payment in an envelope marked clearly with child's name, form and *KS4 Science Revision Guides – Year 9* or through the Parentpay.

Dependent on how you paid for your books, your child can collect their guides as follows:

- Cash or cheque payments – obtain a receipt from reception staff when the payment is handed in and this can be used as proof of payment when child goes to Science Dept office
- Online payments – send payment confirmation email to child's mobile so they can show this to staff when they collect the book from the science office or print off the confirmation email.

If you would like a copy of your unique activation username for parentpay and password please email parentpay@silverdale.sheffield.sch.uk stating your child's name and year group or contact the finance office at finance@silverdale.sheffield.sch.uk

Please do not hesitate to contact me if you require further information.

Yours sincerely
