

October 2019

Dear Parent/Carer

KS3 Design & Technology Financial Contribution 19-20

To enable the Art, Design and Technology Department to continue to provide a wide variety of exciting opportunities for students to create, make and take home products they design, we continue to ask parents for a voluntary contribution towards the cost of specialist materials.

Whilst we fund the majority of components, materials and ingredients within the Design and Technology department, your assistance in this matter helps us to provide for a richer and fuller curriculum allowing us to provide your child with an enriched learning experience in these subject areas including:

- Food
- Hospitality & Catering
- Resistant Materials
- Product Design
- CAD
- Textiles

Within some food practical lessons, it may be necessary for your child to bring further specialist ingredients to the lesson, as we are unable to provide some ingredients for all lessons. It is also essential that pupils bring an adequate container in which to store their food and bring it home safely.

We are therefore asking that you pay a contribution of £10, which covers all projects and food practical for this school year. You can making your payment via Parentpay. If you do not have a parent pay account and would like a copy of your unique activation username and password please email parentpay@silverdale.sheffield.sch.uk stating your child's name and year group or contact the finance office at finance@silverdale.sheffield.sch.uk

If using Parentpay, please check on your account/email alert that you have received a transaction receipt for the payment – you can use this as proof of purchase in the situation of us not receiving your payment and possibly not allowing your child to take part in an planned activity/resource purchase.

Alternatively you can pay by cash or cheque made payable to Silverdale School. These should be placed in a sealed envelope marked with the student's name and form and labelled with KS3 D & T Financial Contribution and handed to the School Student Receptionist by **Friday 8th November**. If your financial situation is a barrier to payment, please contact Mr Rooke - drooke@silverdale-chorustrust.org - in the first instance.

Yours sincerely

D Rooke

Mr D Rooke
Subject Leader: Design and Technology

Executive Headteacher: Roisin Paul
