

Dear parent/carer,

We have received some feedback from parents about the need to meet with Year 11 teachers before the Post-16 application process closes on 27th January. Therefore, the new date for the Y11 parents' evening is **Thursday 21st January from 4:00 to 7:30pm**. Due to the nature of the online system the appointments already made will move across to the new date automatically.

Please be aware that we will **not** be able to discuss how final grading might work due to lack of government guidance or predictions of grades; however this evening will allow us to:

- tell you where your child is currently, including their mocks results sat prior to lockdown.
- offer advice and guidance on the sixth form options before the application process closes on 27th January.
- communicate how well individual students are accessing the online provision.

Multiple Parents on Video Calls - If you want to more than one parent in different locations to access an appointment you can do this. After the first parent makes their booking, all you need to do is to click the 'Invite Parent/Guardian' button, then enter the email address of the other parent/guardian to send an invitation that grants access to the call. The additional parent then clicks the link in the email to join the appointments. Full details of how it works are explained in the parent guide which can be viewed
