We are extremely keen to bring together parents, teachers and others to raise money, to support the school and make a difference for the pupils in our care. Setting up Silverdale PTA provides an opportunity for everyone to work together towards a common goal and is open to all parents and teachers even if they only have a small amount of time available to get involved. The main purpose of a Silverdale PTA would be to fundraise for the benefit of the pupils at the school. Working in partnership with the school, a PTA can help to develop strong links between home and school.
