What happens if correct school uniform is not worn?

We are confident that we can rely on the good sense of both pupils and parents to maintain acceptable standards. However, staff will carry out daily checks on uniform and incorrect uniform will be confiscated.

Hoodies and jackets will be kept in school until a parent can come into school to collect it – whilst incorrect footwear, trousers and skirts will be given back at the end of the school day. If uniform is available to be changed into, students will be provided with appropriate alternative uniform.

The usual school sanctions will apply if students do not wear the correct uniform. For more information see our behaviour policy on our policies page on the school website:
